

THE DUHA GROUP LOGO CREATES A BUZZ

September 2011

Not long after being introduced, the new Duha Group logo is gaining recognition as a leader in logo design!

Chosen by a prestigious logo publication; Logo Lounge, to be a part of their new book “Logo Lounge Volume 7” which celebrates excellence and innovation in logo design.

Bees are the perfect inspiration behind the new logo, for their life compliments the Duha Groups vision. Working each in our own role to accomplish a common goal; ***connecting the world with color.***

We are excited to have our logo; which represents us so well, be acknowledged for its design.
